OBJECTIVE

I am a motivated and enthusiastic individual, eager to begin my professional journey. While I may be at the start of my career, I bring a strong passion for learning, a proactive mindset, and a commitment to contributing meaningfully to the team. I am dedicated to continuous growth, both personally and professionally, and I aim to make a positive impact by applying my energy, adaptability, and determination to every task. My goal is to deliver high-quality work and add value to the organization as I develop my skills.

PROJECT

- 2023 - 2024
Developed a web application titled '**College Portal**' comprehensive portal for college management, including student records, course management, and attendance tracking.
- 2024- 2025
Developed a web application titled '**Personal Portfolio**' A responsive portfolio website built using HTML, CSS, and JavaScript to showcase my projects and skills.

CO-CURRICULAR ACTIVITIES

- Attended conference **GYANOTSAV 23** A conclave Roadmap for Quality Education.
- Member of the Consumer, youth club, and women empowerment club.
- Participated in the **Capture Magi- Photo Contest** held by PG Department of Computer Science on 23/07/24 (ACASW)

DECLARATION

- A Short, form statement at the end of a resume that confirms that accuracy of the information provided.
